

The Iowa-Nebraska Equipment Dealers Association will be hosting a **“How to Avoid Email Scams”** webinar in partnership with Pratum, an information security and cybersecurity services consulting firm. The focus of this interactive 45-minute webinar will be educating dealers and employees on email threats and best practices for prevention.

**“How to Avoid Email Scams” Webinar**  
**Thursday, July 25 | 2:00 p.m.**

Registration is **FREE**. [Note: Multiple people may view this webinar together at your dealership. You only need to register once per location.]
