

NEBRASKA POWER FARMING SHOW

DECEMBER 10-12, 2019
LANCASTER EVENT CENTER | LINCOLN, NE

PRESS RELEASE:

[FOR RELEASE: November 4, 2019]

Des Moines, Iowa – 76 NEW EXHIBITORS AT NEBRASKA POWER FARMING SHOW

The Nebraska Power Farming Show, presented by Farm Credit Services of America and AgDirect, features the broadest mix of ag-related products and services found in the Midwest. Spread across 9.2 acres, the second largest indoor U.S. farm show will be held December 10-12 at the Lancaster Event Center in Lincoln, Nebraska.

With 76 NEW companies exhibiting, the Nebraska Power Farming Show is the place to be to see the latest agriculture products and services.

Here are some new companies to check out:

Biodyne-USA [Booth 3340] Provides products to build a healthy population of “good guy” microbes that enhance overall soil/plant health and create a more sustainable environment. Also offers MeltDown – a crop residue digester.

Ceres Imaging [Booth 1917] High-resolution spectral imagery helps farmers make important resource allocation decisions by showing them real-time plant health throughout the growing season.

Intelligent Ag Solutions [Booth 2309] Versatile products that adapt to a wide range of equipment – from air seeders to dry fertilizer applicators – to enhance efficiency and accuracy in every pass. Know exactly what you’re putting in the ground so you can get more out of it.

Prairie Grain Analyzers, Inc. [Booth 3638] Portable, accurate all-in-one moisture testing without the use of charts, scales and thermometers due to sensors integrated within the tester. Measures hot, cold and frozen grain, providing instant results.

Taranis [Booth 2434] Field imagery from satellite, planes and drones, combined with AI deep learning technology, give farmers the tools they need to address crop issues in real time, increasing yields and cutting costs.

Ztraps [Booth 3330] These traps are so tough even the meanest raccoon will be helpless trying to break out of it. Featuring heavy duty 12-gauge wire and a quick-set door, all you do is lift and the trap is set.

Show hours are 8:30 am to 4:30 pm Tuesday and Wednesday, and 8:30 am to 3 pm Thursday. Admission and parking at the Lancaster Event Center are FREE! For additional show information, visit nebraskapowershow.com.

The Nebraska Power Farming Show is produced by the Iowa-Nebraska Equipment Dealers Association in conjunction with local Nebraska and Iowa farm equipment dealerships. The show is sponsored by: Diamond Sponsor – Farm Credit Services of America and AgDirect; Platinum Sponsors – Bayer and Nebraska Farm Bureau; Gold Sponsors – Mitas, Stine Seed Company and Sukup Manufacturing; Silver Sponsor – CHS Hedging; Silver Sponsor & Official Truck Sponsor – Midwest Ford Dealers; and Media Sponsors – Midwest Messenger and Rural Radio Network.
