CAREER EXPLORATION

**IN THE AGRICULTURE, CONSTRUCTION, AND
OUTDOOR POWER EQUIPMENT INDUSTRY**

Good news! You don't need to move out of your state or even your hometown to build a successful career. The equipment dealer industry is a **billion dollar** industry in Nebraska alone—and it's right in your backyard!

The equipment dealer industry offers **generous pay, competitive benefits, tuition reimbursement, scholarships, apprenticeship programs, on-the-job training, and cutting-edge technology.** You don't even need any experience to get started!

Scholarship Program

It gets better! The Iowa-Nebraska Equipment Dealers Association (INEDA) provides scholarships to help dealers train and support new employees.

You can receive up to \$3,000 toward your training through the Andrew Goodman Scholarship Program. In 2022, INEDA awarded over \$80,000 to 88 students!
