

NEBRASKA AG EXPO

CAREER EXPLORATION EVENT

Explore Career Options in Agriculture and the Equipment Dealer Industry at the 2024 Nebraska Ag Expo!

We invite you and your students to join us for the third annual Career Exploration Event at the Nebraska Ag Expo on **December 10-12, 2024** to learn about career opportunities in agriculture and the equipment dealer industry!

About the Event

The Career Exploration Event is a great way to introduce your students to career opportunities in agriculture and the equipment industry. Your students will experience a guided tour of the Nebraska Ag Expo, explore major manufacturer booths showcasing cutting-edge agriculture technology, discover the value of a two-year education at Nebraska's community colleges (plus tuition reimbursement!), and find out how to receive up to \$3,000 toward their training.

Why Agriculture and the Equipment Industry?

Generous Pay

Equipment dealerships offer a financially rewarding career path without the need for a four-year degree. Service technicians can earn up to \$100,000 per year!

Competitive Benefits

Alongside generous pay, the industry also offers competitive benefits packages, ensuring their well-being and job satisfaction.

Tuition Reimbursement

Many equipment dealers offer tuition reimbursement, enabling students to pursue a two-year education without incurring a significant financial burden.

Scholarships

The Andrew Goodman Scholarship program gives students the opportunity to earn up to \$3,000 toward their training at equipment dealerships.

Apprenticeship Programs

The industry offers valuable apprenticeship programs, providing students with hands-on experience and practical training to develop their skills and knowledge.

On-the-Job Training

For students who prefer a more hands-on approach to learning, on-the-job training is an excellent alternative to traditional classroom education.
